🔒 Messages and calls are end-to-end encrypted. No one outside of this chat, not even WhatsApp, can read or listen to them. Tap to learn more.

I can't thank the team enough for such an incredible training experience. The curriculum was so well-structured, and the instructors were top-notch.
04:50 PM

That's wonderful to hear, Emma! We're thrilled you enjoyed the program. How did you feel about the mentorship sessions?
04:50 PM

They were excellent. The one-on-one support was a game-changer. Whenever I struggled with a concept, the mentors explained it patiently and gave me practical solutions.
04:50 PM

That's exactly what we hope for with our mentorship. Did the career guidance add value to your learning journey?
04:50 PM

Absolutely! The resume-building tips and mock interviews prepared me to face real-world challenges. I've already lined up a couple of interviews!
04:51 PM

That's incredible, Emma! All the best for your interviews—do keep us updated on your progress.
04:51 PM

Alex Johnson

🔒 Messages and calls are end-to-end encrypted. No one outside of this chat, not even WhatsApp, can read or listen to them. Tap to learn more.

The training program was fantastic! I really appreciated the balance between theory and hands-on practice.
04:45 PM

So glad to hear that, Alex! What part of the program helped you the most?
04:45 PM

The projects were amazing—they gave me real-world experience and boosted my confidence.
04:45 PM

That's awesome! Practical skills are essential. Wishing you the best in applying your knowledge!
04:45 PM

Are you planning to apply these skills in a specific job role?
04:46 PM

Definitely! I've started applying for roles, and I feel confident showcasing the portfolio I built during the training.
04:46 PM

That's fantastic, Alex! We're here to support you further. Good luck with your applications!
04:47 PM

Noah Brown

🔒 Messages and calls are end-to-end encrypted. No one outside of this chat, not even WhatsApp, can read or listen to them. Tap to learn more.

This training program was a turning point for me.
04:48 PM

That's great to hear, Noah! It's inspiring to see your progress. What aspects of the program helped you grow the most?
04:48 PM

The combination of live sessions, recorded materials, and hands-on labs was perfect. The capstone project, especially, pushed me to think critically and innovate.
04:48 PM

That's amazing! A good capstone project can really showcase your abilities. How's your career journey shaping up after completing the program?
04:48 PM

The career support was incredible. From crafting a standout resume to preparing for technical interviews, the guidance was spot-on. I've just secured an interview for a role I've always wanted!
04:49 PM

Congratulations, Noah! Wishing you all the success in your interview and beyond. Let us know if you need any additional support.

Certified ScrumMaster (CSM) Training **FAQ**

❓ 1. What is Certified ScrumMaster (CSM) training?

✅ CSM training is an instructor-led course that provides participants with a comprehensive understanding of Scrum principles, practices, and roles. It equips individuals to become effective ScrumMasters, guiding teams in Agile project management.

❓ 2. Who should take the CSM training?

✅ CSM training is ideal for:
- Aspiring ScrumMasters.
- Project managers transitioning to Agile.
- Product owners and team leads.
- Developers, testers, and business analysts in Agile environments.

❓ 3. What are the prerequisites for CSM training?

✅ There are no formal prerequisites, but a basic understanding of Agile principles is helpful. The training is beginner-friendly and designed to accommodate professionals new to Scrum.

❓ 4. What topics are covered in CSM training?

✅ Key topics include:
- Scrum roles, events, and artifacts.
- The responsibilities of a ScrumMaster.
- Agile project management principles.
- Sprint planning, execution, and review.
- Managing Product and Sprint backlogs.

❓ 5. How long does the training take?

✅ CSM training typically lasts two days (16 hours), depending on the Days.

❓ 6. Is the CSM certification exam included in the course?

✅ Yes, the course fee often includes the cost of the certification exam. After completing the training, participants receive an exam link.

Certified ScrumMaster (CSM) Training **FAQ**

❓ 7. What is the format of the CSM certification exam?

✅ The CSM exam is an online test consisting of 50 multiple-choice questions. A passing score of 74% (37 correct answers) is required.

❓ 8. How long do I have to take the CSM exam after completing the training?

✅ You must take the exam within 90 days of completing the training.

9. What happens if I don't pass the CSM exam?
If you don't pass on your first attempt, you are allowed one free retake.

❓ 10. What are the benefits of earning the CSM certification?

✅
- Demonstrates expertise in Scrum practices.
- Enhances employability and career growth.
- Provides the skills to lead Agile teams effectively.
- Recognized globally by organizations practicing Agile.

❓ 11. How long is the CSM certification valid?

✅ The certification is valid for two years. After this period, it must be renewed by paying a renewal fee and fulfilling Scrum Alliance's renewal requirements.

❓ 12. Is this training available online or in-person?

✅ CSM training is offered in online, allowing flexibility for learners.

❓ 13. Are there hands-on activities in the training?

✅ Yes, the training includes interactive workshops, group exercises, and simulations to ensure practical learning.

❓ 14. Can I claim PDUs or SEUs after completing CSM training?

✅ Yes, you can earn 14-16 Professional Development Units (PDUs) or Scrum Education Units (SEUs), which count toward maintaining other Agile-related certifications.
